The United States Court for the Western District of Missouri is seeking an Operations Manager for its Kansas City division. The person holding this position will maintain an office in Kansas City, Missouri with occasional travel to the courthouses in Springfield and Jefferson City as well as other locations for training and business meetings. The Western District is a fully consolidated court (District, Bankruptcy, Probation and Pretrial) comprised of three divisional offices and approximately 270 total employees. The Kansas City division currently supports ten District Judges and three Magistrate Judges. Management professionals from other Districts that are willing to relocate are welcome to apply, and all applicants should visit www.mow.uscourts.gov for general information about the Western District (WDMO).

Position Description

The Operations Manager will report directly to the Chief of Operations and will also work closely with the Court Executive and the Chief Administrative Officer and as a liaison between Operations and the Judges' chambers, members of the public and members of the bar. The Operations Manager will supervise the Case Processing and Courtroom Deputy Team Leaders and will have overall responsibility for all Kansas City Operations personnel. This position has supervisory responsibility for administration of Kansas City Operations, including intake, case administration, the CM/ECF database, records management, application of local rules and the federal rules of procedure and courtroom services.

As part of the management team, the Operations Manager will work with managers in the Springfield and Jefferson City divisional offices and other colleagues to develop short and long-term goals for the Operations unit, including the development and implementation of district policies, procedures, and programs.

Primary Duties

Duties of the Operations Manager include but are not limited to the following:

- Manages the flow of the overall criminal and civil dockets in Kansas City, including calendaring, docketing, case assignment issues and CM/ECF quality control.
- Maintains open communications with the judicial officers and chambers staff.
- Oversees the selection, training, development and evaluation of employees. Supervises the Team Leaders in planning, prioritizing and scheduling work and projects.

- Directs the staff to ensure that time and performance quality schedules are met.
- Communicates the policies, procedures, and objectives of management to employees to enhance the overall productivity of the organization.
- Liaises with other court departments and with outside organizations and other federal agencies as well as the Administrative Office of the U.S. Courts and members of the bar.
- Assists in compliance with Federal and local rules, as well as special procedures peculiar to the court by reminding attorneys of their procedural responsibilities and resolving procedural problems.
- Assists the Chief of Operations in monitoring judicial officer caseloads and draw assignments as necessary.
- Works with the Information Technology (IT) department to develop modifications to the CM/ECF database and to utilize technology to improve service to the bar and the public.
- Prepares statistical reports for the Kansas City office and the District and submits data as required to the Administrative Office of the U.S. Courts or the 8th Circuit Court of Appeals.

Leadership Qualifications

The Western District is looking for a strong leader dedicated to providing the highest levels of customer service to judicial officers, attorneys and litigants. The District is also searching for a candidate committed to employee development and to helping employees expand skills and to achieve individual and team goals. Top applicants will have experience motivating both new and tenured employees and be ready to evaluate how the department should be organized to best meet the changing needs of the court and its customers. Top applicants should also be committed to using technology to further the mission of the court.

Additional Qualifications

- Prior federal or state court experience or experience in the legal field is required.
- A Bachelor's degree is preferred, and an advanced degree in a legally-related field is highly desirable. Those who have practiced law before the court or served as a law clerk to a federal judge and otherwise meet the management requirements below are welcome to apply.
